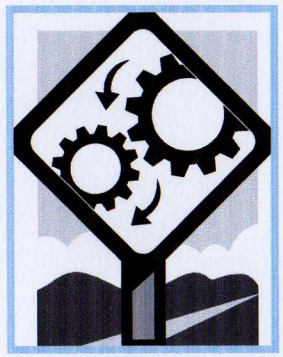
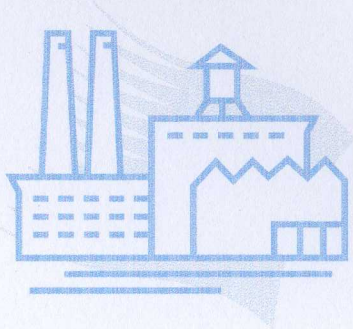
Economic Development Programs



Helping Business Grow in New Bremen

Services available from the New Bremen Community Improvement Corporation

The New Bremen Community Improvement Corporation (CIC) is a not-for-profit corporation established to promote the industrial, economic, commercial and civic development of the Village of New Bremen. A major component of this mission is assisting existing businesses in our community with expansion and retention of employment opportunities. The CIC does this by offering access to a variety of economic development programs. The CIC can connect you with the financing, job training and technical assistance programs that will help your business grow in New Bremen.



Financial Assistance

The CIC can save you money, time and trouble by helping you determine the best financing options for your business expansion. Working with County, Regional, State and Federal partners, we are your link to loan programs that feature low down payments, and fixed long terms. Each program is designed to encourage the success of your business. These programs include, SBA 504 ,Region 166 and the Auglaize County Revolving Loan Fund. The CIC is also prepared to put you touch with the appropriate State and Local incentive programs that will be sure to benefit your bottom line.

Job Training

The workers of the New Bremen community are known for there strong work ethic. But sometimes an employer may not be able to find just the right employee or needs to develop a specific training program. Resources such as WorkingEd.Com, the Wright State University Lake Campus Business Enterprise Center and the State of Ohio Job Services One Stop are valuable tools your business can use to recruit and train employees. The CIC can connect you to these resources.

Technical Assistance

Partnering with technical assistance programs such as American Municipal Power Ohio Questline, The Wright State University Lake Campus and other state and federal agencies, the New Bremen CIC can assist you in numerous ways. If you need assistance developing a business plan, working through the paperwork of a loan application or permitting issue, the CIC is ready help.

Who should call the New Bremen CIC?
